

RAJAKARUNGAN J

Full-Stack Developer (C# / .NET / ASP.NET Core | Node.js / NestJS)

Chennai, Tamil Nadu, India

Phone: +91-8220782385 | Email: rajakarunganj@gmail.com

Portfolio: <https://rajakarunganj.vercel.app/>

PROFESSIONAL SUMMARY

- Full-Stack Developer with 1.5+ years of experience delivering scalable, production-ready web and mobile applications across the React, NestJS, and .NET/ASP.NET Core ecosystems — from system design and API architecture through deployment.
- Builds secure, well-documented RESTful APIs with JWT/OAuth authentication and role-based access control (RBAC), backed by optimized PostgreSQL and SQL Server data layers for reliability and performance at scale.
- Strong foundation in clean, modular architecture and reusable component design, enabling faster feature delivery, easier maintenance, and consistent quality across cross-platform (web and mobile) codebases.
- Collaborative engineer who thrives in agile, cross-functional teams — active in code reviews, API contract alignment, and translating business requirements into tested, maintainable software.

TECHNICAL SKILLS

- **Languages & Frameworks:** C#, .NET / ASP.NET Core Web API, NestJS, Node.js, TypeScript, JavaScript
- **Frontend Development:** React, React Native, Material UI, Zustand, HTML5, CSS3
- **Data & Databases:** PostgreSQL, SQL Server, Entity Framework Core, TypeORM, Database Design, Query Optimization
- **Architecture & Design:** Microservices Architecture, Clean Architecture, REST APIs, Dependency Injection
- **API & Security:** JWT, OAuth, RBAC (Role-Based Access Control), API Testing & Documentation (Swagger, Postman)
- **Tools & Version Control:** Git, GitHub, GitLab, Bitbucket, VS Code, Figma (UI/UX)

PROFESSIONAL EXPERIENCE

SOARING

Software Engineer | Coimbatore | 04/2025 - Present

- Developed scalable, production-grade web applications using React and Material UI, translating business requirements into responsive, reusable UI components.
- Designed and implemented RESTful APIs using NestJS, covering business logic, validation, and integration with PostgreSQL.
- Implemented JWT-based authentication and role-based access control (RBAC) to secure application endpoints.
- Optimized PostgreSQL queries and schema design to improve application performance and data reliability.
- Integrated frontend and backend systems end-to-end, ensuring consistent data flow and API contract alignment.
- Participated in code reviews, enforced coding best practices, and contributed to team engineering standards.

PROJECTS

Edumee – Backend API (.NET & NestJS)

Technologies: C#, ASP.NET Core Web API, Entity Framework Core, NestJS, PostgreSQL, SQL Server, JWT Authentication, Swagger, Postman

- Built the backend API layer for the Edumee learning platform using ASP.NET Core Web API and C#.
- Implemented CRUD operations and data models using Entity Framework Core against PostgreSQL/SQL Server.
- Secured endpoints with JWT authentication; documented and tested all APIs using Swagger and Postman.

Edumee – Mobile Learning Application (React Native)

Technologies: React Native, REST APIs, JWT, React Native Paper

- Developed a cross-platform mobile application (Android & iOS) for course delivery and progress tracking.
- Built a modern UI using React Native Paper following Material Design principles.
- Integrated REST APIs for course content, user progress, and modules; implemented secure JWT-based authentication with token handling.

Sumarg – Finance Management Application

Technologies: NestJS (Microservices), PostgreSQL

- Built backend services for a finance management platform using a microservices architecture.
- Designed an optimized PostgreSQL schema for financial data and developed secure, scalable APIs for financial operations.

EDUCATION

Bachelor of Engineering (BE), Computer Science and Engineering

Gnanamani College of Technology, Anna University | CGPA: 7.73 | 2024

Higher Secondary Certificate (HSC)

R.C. Hr. Sec. School | Percentage: 70% | 2020

Secondary School Leaving Certificate (SSLC)

N.S.V.V. Boys Hr. Sec. School | Percentage: 70.04% | 2018

LANGUAGES

English, Tamil
